## 2019 *Vaccinium* COMPLIANCE AGREEMENT

<b>1. NAME AND MAILING ADDRESS OF PERSON OR FIRM:</b>  Phone: Email:	<b>2. PHYSICAL LOCATION:</b>
---	------------------------------

**3. REGULATED ARTICLE(S):**  
 Plants, buds, vegetative cuttings or any other propagative forms of *Vaccinium corymbosum*, *Vaccinium angustifolium*, *Vaccinium macrocarpon* and/or *Vaccinium membranaceum*

**4. APPLICABLE QUARANTINE(S) | REGULATION(S) / LAW(S):**  
 Michigan Blueberry Scorch, Shock and Sheep Pen Hill Virus Quarantine

**5. I/WE AGREE TO THE FOLLOWING:**  
 \_\_\_\_\_ (the Company) hereby enters into a Compliance Agreement with the Wisconsin Department of Agriculture, Trade and Consumer Protection (WDATCP) under the provisions of Michigan’s Blueberry Scorch, Shock and Sheep Pen Hill Virus Quarantine and agrees to ship the articles listed in block 3 to Michigan only as provided for in this Compliance Agreement:

- 1. Maintenance of Records:**
  - a. The Company shall maintain and offer for inspection such records as may be required by any interested governmental entity involved in the quarantine and control of the Blueberry Scorch, Shock and Sheep Pen Hill Virus.
  - b. All shipping records, a list of suppliers, and other documents (e.g. blueberry shipping and receiving records including copies of all movement certificates) concerning the regulated material for 36 months from the date of receipt and provide to the WDATCP upon request.
  - c. The Company must provide to the WDATCP detailed locations of all blueberry growing locations at the nursery.
  - d. A Certificate of Quarantine Compliance containing all information included in the attached template shall accompany each shipment with a facsimile of their current nursery plant health certificate.
- 2. Pest Management:**
  - a. All regulated articles shipped into Michigan from all areas must be certified virus free by a virus-free certification program recognized by the MDARD Director.
  - b. All incoming blueberry nursery stock material must be inspected by trained staff for Blueberry Scorch, Shock and Sheep Pen Hill virus symptoms prior to entering the production area.
  - c. Regulated articles may not be held in the proximity of products from an infested area.
  - d. Regulated articles must not have been held or unloaded in an infested area.
  - e. Host material must be monitored periodically for virus symptoms.
  - f. The Company must immediately notify the WDATCP of any positive lab tests and/or suspected Blueberry Scorch, Shock and Sheep Pen Hill virus within their operation or supply chain.
- 3. Training of Employees:**  
 The Company shall ensure that each employee involved in carrying out provisions of this agreement receive training in the following areas:
  - a. Applicable rules and policies involving this quarantine;
  - b. Blueberry Scorch, Shock and Sheep Pen Hill virus symptoms; and
  - c. All provisions of this Agreement.

If the Company fails to comply with the provisions of this compliance agreement and/or the Michigan quarantine regulations, this compliance agreement will be cancelled. The WDATCP reserves the right to revise or cancel the compliance agreement at any time. Violation of any stipulation of this agreement is grounds for suspension and may result in prosecution.

Compliance agreements are non-transferable. The Company must notify the WDATCP office in the event that:

- The designated signatory individual in block 6 changes,
- The Company physically relocates,
- The Company name or ownership changes, or
- Any other event which may affect the handling of the regulated article occurs.

Signing below will validate this agreement, which shall remain in effect through **February 20, 2020**; but may be revised as necessary or revoked for noncompliance.

# CERTIFICATE OF QUARANTINE COMPLIANCE

For Michigan Exterior Quarantine of Blueberry Scorch, Shock and Sheep Pen Hill Virus

*The Vaccinium nursery stock (Vaccinium corymbosum, Vaccinium angustifolium, Vaccinium macrocarpon and/or Vaccinium membranaceum) in this consignment has been grown under a compliance agreement monitored by the Wisconsin Department of Agriculture, Trade and Consumer Protection to meet the criteria of the Michigan Blueberry Scorch, Shock and Sheep Pen Hill Virus Quarantine by the following method(s):*

CHECK THE APPROPRIATE BOX(ES):

- The *Vaccinium* plants originate from a Blueberry Scorch, Blueberry Shock and Sheep Pen Hill Disease Viruses Pest Free Area.
- The *Vaccinium* plants were certified under an official certification program in the state of origin that includes testing and inspection for blueberry viruses.
- The *Vaccinium* plants were shown free of Blueberry Scorch Virus, Blueberry Shock Virus and Sheep Pen Hill Disease Virus based on an official laboratory test.
- The *Vaccinium* plants were micropropagated and/or grown in an insect-proof greenhouse or screenhouse and originate from mother plants that have been tested and found free of Blueberry Scorch Virus, Blueberry Shock Virus and Sheep Pen Hill Disease Virus.
